HOW TO REACH THE CAMPUS – [Google Map](#)

By AIR: From Cleveland Hopkins International Airport ([CLE](#)), the easiest and least expensive way of getting to the campus is the RTA Rapid Transit train ([www.gcrta.org](#)). A Rapid Transit one-way fare is \$1.75 and the trip takes about 30-45 minutes. Board the [Red Line – 66X Airport/Windermere Rapid](#) at the airport (heading East) and ride to the UNIVERSITYCIRCLE stop. After exiting the train, turn right, follow the Case Western signs through the doors and down the steps, and go to the end of the tunnel. Proceed through turnstiles, turn left, go up the steps to the University Circle bus shelter. Free shuttle buses (marked UCI or [CIRCLELINK](#)) run every 15 minutes from 6:15 a.m. to 5:30 p.m. to all areas of the campus. Ask the driver to let you off at the School of Medicine. Now follow the directions in the section on the following page titled: "HOW TO GET INTO THE SCHOOL OF MEDICINE BUILDING."

By TAXI: From the airport, a taxi will cost approximately \$35.00 and the trip can take about 30-45 minutes.
