Other than the two week vacation period over the Christmas and New Years Holidays vacation period each year, students are expected to assume the professional responsibilities of the service on which they are rotating. There will be no set days off for Memorial Day, July 4, Labor Day, Thanksgiving, Martin Luther King Day, or any other national holiday. All questions and other communications on the details of the students schedule must be directed to the appropriate Discipline or Rotation Leader. These individuals will be encouraged to communicate information on holidays to students as far in advance as possible.
