Klara Papp, Ph.D.

Associate Professor, Curricular Affairs

Case Western Reserve University School of Medicine

Identifying Learner Needs

Learning Objectives

1. Identify differences between novices and experts in solving medical problems.
2. Describe the importance of formative feedback.
3. Describe four different approaches to solving medical problems and implications for diagnostic accuracy

Case Western Reserve University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians. Case Western Reserve University School of Medicine designates this continuing medical education activity as meeting the criteria for 3 *AMA PRA Category 1 Credit*™. Physicians should only claim credit commensurate with the extent of their participation in the activity.
