

## Hugo Montenegro, M.D.

### **Professor of Medicine Professor of International Health**

#### **Education:**

Medical School: University of Trujillo Medical School  
Trujillo, Peru 1966

#### **Training:**

Residency: State University of New York  
Buffalo Affiliated Hospitals  
Fellowship: Edward J. Meyer Memorial  
Buffalo, NY  
Case Western Reserve University  
Cleveland, Ohio

#### **Area of Concentration:**

Dr. Montenegro is a vigorous member of the medical community in Cleveland participating in numerous advisory panels and hospital committees, which meet the challenges of quality assurance and ethical issues within the University and medical systems. He is a dedicated presenter, sharing thoughtful information to scientific and educational audiences locally, nationally and internationally. Dr. Montenegro's major interests are in ventilator management and the care of critically ill patients. He has recently received recognition as a "Top Doc" in a well-respected Ohio publication, acknowledging his excellence in patient care and rapport within the Northeastern Ohio patient community.

#### **Recent Publications:**

Abramson S; Gilkeson R.C., **Montenegro H** ; Farah M. Chest Film Clinic: "what caused dyspnea and cyanosis in this 37 year-old women?" J Respir Dis 2000; 21-217-223
