You may also copy this link and paste it into the web address window for your browser:

This will take you to the MySchoolBuilding sign in page for your organization.

- If you would like, you may either add this page to your favorites or create a shortcut on your desktop. To create a shortcut, find a blank area on the page, click your right mouse button and select Create Shortcut. This will add an icon on your desktop that you can double click the next time you want to sign in.

Enter your email and click Submit. If you are not already registered as a user, the system will notify you that it cannot find your email address. Submit again and you will come to the work order form.
