| 740                | Chicken Pens             | all                       | \$ 5.50                     |
| <b><u>800</u></b>  |                          |                           |                             |
|                    | <b><u>UNGULATES</u></b>  |                           |                             |
| 810                | Sheep                    | all                       | \$ 7.45                     |
| 820                | Goats                    | all                       | \$ 7.45                     |
| 830                | Cattle                   | all                       | \$14.50                     |
| 840                | Pigs                     | all                       | \$ 7.45                     |
| 850                | Calves                   | all                       | \$ 12.50                    |
| <b><u>900</u></b>  |                          |                           |                             |
|                    | <b><u>AMPHIBIANS</u></b> |                           |                             |
| 910                | Frogs                    | all                       | \$ 0.18                     |
| 920                | Toads                    | all                       | \$ 0.18                     |
| <b><u>100</u></b>  |                          |                           |                             |
|                    | <b><u>RODENTS</u></b>    |                           |                             |
| 110                | Mice                     | (max - 5/#1 cage)         | \$0.64 per cage             |
| 120                | Rats                     | (max - 3/#2 cage)         | \$0.96 per cage             |
| 130                | Gerbils                  | (max - 3/#2 cage)         | \$0.96 per cage             |
| 140                | Hamsters                 | (max - 3/#6 cage)         | \$0.96 per cage             |

In addition to the above animal housing rates, the following charges will be made for ARC services.

1. An Animal Procurement Charge of 10% of the actual animal purchase cost (not including shipping or other costs) will be applied to all animal orders.
2. Research/Surgical Services will be charged at the rate of \$35.00 per hour

calculated in 15 minute increments (***refer to ARC Service and Supply Charges***). A Cleaning Service charge of \$35.00 per hour will be made whenever workrooms or other areas are inadequately cleaned by the investigative staff. X-ray charges will be \$7.50 per plate plus \$35.00 per hour (in 15 minute increments) for ARC technician time.

3. The cost of all veterinary treatments and necessary laboratory tests will be charged to investigators from the time animals are received in the ARC.
