

Electives Offered to Visiting Medical Students

The following electives are the only electives offered to Visiting Students.
This list is updated as we are notified of changes in availability and/or eligibility requirements.
Please note the exceptions carefully.

- To access elective descriptions, go to <http://casemed.case.edu/registrar/catalogs/>
- Click on Course Catalog
- Click on Electives
- Click on the type of elective (Acting Internship or Clinical)
- Click on the Course Title for the description

Visiting Students should refer to the online course catalog for descriptions only.

NOTE: Not all electives in the online course catalog are offered to Visiting Students.

If applying to Pediatrics electives, please only apply for ONE elective. IF the specialty you are requesting is unavailable, every effort is made to accommodate students in another specialty. The Pediatrics department limits students to ONE approved/confirmed rotation in the department.
